COME, HOLY SPIRIT!

PENTECOST

ПРИЙДИ, ДУШЕ СВЯТИЙ!

¡VEN, ESPÍRITU SANTO!

Dear Brothers and Sisters in Christ,

“When the day of Pentecost had come, they were all together in one place. And suddenly a sound came from heaven like the rush of a mighty wind, and it filled the house where they were sitting. And there appeared to them tongues as of fire, distributed and resting on each one of them. And they were all filled with the Holy Spirit and began to speak in other tongues, as the Spirit gave them utterance” (Acts 2:1-4).

Those who truly pray and believe could never read this passage as though it were merely describing an historical event. Naturally, the Descent of the Holy Spirit was a real event in the history of the Church. Nonetheless, it was intended to be an event that would be re-enacted every time believers are gathered “together in one place.” When do we Christians usually find ourselves gathered together in one place? The answer should be obvious to us - whenever we gather together to celebrate the liturgy. It is for this reason that our Church has called for its own spiritual renewal to begin on the level of the parish, with the introduction of the program known as the *Vibrant Parish*.

Continued on Next Page

The idea is very simple. If the Descent of the Holy Spirit was powerful enough to send the disciples of the Lord into the world with the message of eternal life, then this same divine mystery is exactly what is needed to actualize the same force in today's world. It is intended to challenge each and every one of us, to purify and try our faith like gold in the fire, to make sure that we are actually following Jesus Christ rather than our own ideas. Whenever we are preparing to gather together in the same place to honor, praise, and worship Our Lord, do we believe and understand that what is actually happening is like a "rush of mighty wind" that "fills the entire house"? Do we depart filled with the Holy Spirit, so that we begin to speak to others about the mighty deeds that have been worked within us? This is how it should be with us Christians.

As we sing numerous times throughout the year, "all you who have been baptized into Christ have put on Christ." The same Christ said: "whoever believes in me will also do the works that I do, and greater works than these." How can this be possible? "The Counselor, the Holy Spirit, whom the Father will send in my name, He will teach you all things, and bring to your remembrance all that I have said to you." (See John 14:12,26). If our communities are to be truly alive in the Holy Spirit, then gathering together in one place will be just like that first gathering in the upper room. It will be as loud as the rush of a mighty wind. It will fill our house with the Holy Spirit. It will give us the power to speak with heavenly "tongues" that will bring others to Christ!

Excerpt from **Christ Our Pascha**

The capacity of a human being to receive the gift of grace depends on one's degree of openness and commitment to God. In accepting God's grace, a person cooperates with it and grows with it. Perfect cooperation between human will and God's grace is exemplified in the Annunciation of the Most Pure Virgin Mary. This is evident in Mary's own words: "Behold, I am the servant of the Lord; let it be done to me according to your word" (Lk1:38, rsv-ce). By virtue of her assent, the God-Bearer became a participant in the mystery of salvation. (# 746)

SPIRITUALLY ADOPT A PRIEST PROGRAM

Our priests are indispensable. They give their lives to their saving mission of Christ and His church. It is our duty to pray for our priests. And so we are officially starting our "Adopt a Priest Program." We will send interested parishioners a prayer card with the specific name of a priest, bishop or seminarian for whom to pray. And each year thereafter, at the beginning of our church year, September 1st, we will send a different priest to include in your prayers.

To participate, please e-mail your name and address to: spirituallyadoptapriest@gmail.com. Indicate your preference for an English or Ukrainian prayer card. Thank you for interceding on behalf of our priests.

CONGREGATION FOR THE EASTERN CHURCHES (1996):

“Where such practice of celebrating the Divine Praises with the people has diminished, if not completely disappeared, the ancient tradition should be restored without delay, so as not to deprive the faithful of a privileged source of prayer, nourished by treasures of authentic doctrine.... Calling upon the time when the Divine Praises were upheld with special care in the East, not only by the monastic communities, but also by the parishes, the Code of Canons of the Eastern Churches reminds us of the obligation – often easily forgotten or abandoned – to celebrate them in the cathedrals, parishes, rectoral churches, religious communities and seminaries.”
